Serial Number:

I certify, in my capacity as CEO of Elliquence, LLC that all relevant requirements of the following recognized consensus standards are met with respect to the manufacture of Elliquence products. All records relating to the manufacturers' compliance with these standards will be maintained for a period of two years or for the expected design life of the device, whichever is longer [21 USC 514(c)(3)(C)]. It is understood that these records may be subject to review during an inspection to assess conformance to the Quality System Regulation (21 CFR 820).

Alan Ellman, CEO
